

A TIMELINE OF OUR HISTORY

Trend is headquartered in the UK and was part of Novar plc. After Honeywell purchased Novar in 2004, Trend IQ products were introduced to North America and corporate office headquarters established in Redmond, Washington.

Below is a timeline of Trend's history and innovations.

**1980**

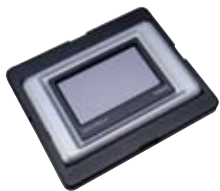

Founded in the UK

1982

Launch IQ line of building controllers.

1989

Addressing scheme and text protocol debuts.

**1995**

Introduces next generation of controllers: IQ2.

1999

Debut of LonTalk®-based product line embeds open protocols for unitary controllers

**2003**

Acquired by Novar plc.

2004

Acquired by Honeywell, but remains entirely independent of Honeywell Building Solutions.

**2005**

IQ3 product line releases in North America.

2006

IQ3xtend controller launches.

**2008**

Introduces Trend Building Access Control and MS/TP IP router.

2009

Debuts Trend Open Protocol Server (TOPS) and IQL Plus controllers.
